Questions for the hospital

1. Can you confirm he has no history of suicidal ideation, hallucinations, or aggressive behavior during this stay?
2. Is he independent with showering/hygiene, and is he on any isolation precautions?
3. Has he ever been under a conservatorship or FSP?
4. Are there any dressing-change or wound-check orders for the incision, or is it open to air until staple removal on 04/22?
5. Will a 30-day supply of his medications be sent with him, and if he arrives after 04/17 05:30 can a repeat COVID swab be done?
